The Republic of Iraq has decided to support the sovereignty and territorial integrity of the Republic of Azerbaijan within its internationally recognized borders.

Jordan

I have the honour to inform you that the Hashemite Kingdom of Jordan supports General Assembly resolution 62/243. Jordan has opposed, and always will oppose, the occupation of the territory of a State by another and the use of force in international relations. It believes that conflicts should be resolved peacefully and always strives to do so.

Allow me also to convey to you Jordan's support for international mediation efforts aimed at resolving the Azerbaijani-Armenian conflict, including those of the Minsk Group of the Organization for Security and Cooperation in Europe. Jordan would also like to emphasize the importance of respecting the sovereignty and territorial integrity of Azerbaijan and the need for all parties concerned to abide by the principles of international humanitarian law.
